AMENDMENT UNDER 37 CFR 1.116

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This paper is submitted in response to a Final Official Action dated August 26, 2004 in the subject application. That Action carried a shortened-statutory period for response of three months, set to expire on November 26, 2004. This paper is being submitted within two months of the mailing date of that Action.

It is noted that pending claims 1-4, 9-10 and 13-19 stand as being provisionally rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 20-40 of copending Application No. 09/734,282. It is noted that Serial No. 09/734,282 has now issued as U.S. Patent 6,708,061, which issued on March 16, 2004.

Accordingly, applicants submit herewith a Terminal Disclaimer with respect to Patent 6,708,061. A listing of the claims with present status is also being provided.

It is believed that the Terminal Disclaimer presented herewith places the present claims in condition for allowance and acceptance of the Terminal Disclaimer and allowance of the claims is respectfully requested.

Respectfully submitted,

NIKOLAI & MERSEREAU, P.A.
